## Sleighting.

Jingle, jingle, jingle!  
"Tis the feast of Love,  
Crystal snow below us,  
Crystal stars above.

Like a globe of silver  
Gleams the white-faced moon.  
Jingle, jingle, jingle!  
Oft-repeated tune.

Jingle, jingle, jingle!  
Hearts and cheeks aglow!  
Steel-encased runners  
Cutting through the snow.

Jingle, jingle, jingle!  
See the vapor rise  
From our sleds, like incense  
From a sacrifice.

Jingle, jingle, jingle!  
Jingle every where!  
Near the liquid laughter  
Pouring on the air.

Jingle, jingle, jingle!  
Hear the whip's sharp crack,  
Hear the merry voices  
Greet us on the track!

Jingle, jingle, jingle!  
Through the frosty night  
To prevent her falling  
I must clasp her tight!

Jingle, jingle, jingle!  
And the sound impels  
Thoughts as sweet as twilight  
Of our wedding bells.

Jingle, jingle, jingle!  
Heaven speed the day!  
May we glide into it  
Smoothly as our sleigh!

Jingle, jingle, jingle!  
Jingle everywhere!  
Sweetest sound the sleigh bells  
Ring for a pair!

## Living Witnesses.

The hundreds of strong, hearty, rugged and healthy looking men, women and children, that have been rescued from beds of pain, sickness and well nigh death by Parker's Ginger Tonic, are the best evidence in the world of its sterling merit and worth. You will find such in almost every community. Read of it in another column, Dec 23rd.

## The Member From Utah.

A. G. Campbell, the new Delegate to Congress from Utah, who was certified into office by Governor Murray, on the ground that the Mormon Cannon, who had more votes, was ineligible, has some ideas about the "twin relic." To suppress it he would disfranchise all polygamists, both men and women, and prohibit them from holding office, and he would have none permitted to sit upon a jury who will not obey the law. As it is, he says, polygamists, men and women, vote under Territorial law, even women under age, and so hold control of all the offices in the Territory, except those filled by Presidential appointment. If those who disobey the law were disfranchised the elective officers of the Territory would be selected from those who would see that the laws were enforced against polygamy. If this policy were adopted Mr. Campbell thinks the Mormons would be Mormons still, but would no longer be polygamists.

Gray hairs are honorable, but few like them. Clothe them with the hues of youth by using Ayer's Hair Vigor.

A facetious journalist says: If Conkling attacks Bayard in the Senate, as he threatens, the latter will have to do it to "bully" Sherrill and Lord Roscoe will jump from the rotunda to the dome and hide himself under the shadow of the Goddess of Liberty."

A physician on presenting his bill to the executor of a deceased patient, asked "Do you wish to have my bill sworn?" "No replied the executor, "the death of the deceased is sufficient evidence that you attended him professionally."

Teacher—"John, what are your boots made of?" Boy—"Of leather." "Where does the leather come from?" "From the hide of the ox." "What animal, therefore, supplies you with boots and gives you meat to eat?" "My father."—*Galveston News.*

Friday, when Leroy Pratt and wife arrived home at Van Lue, from Norway, in a sleigh, they discovered their little child, who accompanied them, was dead, suffocated by a super-abundance of wraps.

An Iowa young lady was about to be immersed, but when the ice cold water struck her striped stockings, she snatched her hand away from the elder and re-fretting, exclaimed: "It's too cold. I'll wait till spring."

The late George Myer, of Lancaster County, Pa., was the father of fifteen children, nine of whom became ministers of the gospel, and eight of these latter are still living.

An Iowa farmer declares upon his honor as a gentleman that the last grasshopper leaving the State stood on a gait post and said: "Get some more fence ready for us by next June."

"Well, Sambo, how do you like your new place?" "Bery well massa. "What did you have for breakfast this morning?" "Well, missus biled three eggs for herself and gave me de broff."

An exchange says: "Streams all over the country are running dry." This is a canard. When a stream is dry it can't run.

The Appletons will soon issue Jeff. Davis' history of the "Great Rebellion."

Sauff or dust of any kind, and strong, caustic or poisonous solutions aggravate catarrh and drive it to the lungs. Dr. Sage's Catarrh Remedy cures catarrh by its mild, soothing, cleansing and healing properties. Each package prepares one pint of the Remedy ready for use, and costs only fifty cents. Sold by druggists. So positively certain is it in its results that its former proprietor used to offer a standing reward of \$500 for a case it would not cure.
